

Alpine Retreat

2 Healecote Lane, Lower Shotover River

4 Bedrooms | 3 Bathrooms | 10 Guests

Tucked into one of Queenstown's best-kept semi-rural pockets, this four-bedroom retreat for up to ten guests offers a quietly enviable position with easy access to everything the region has to offer. Queenstown Central's shops, restaurants and supermarkets are just minutes away, Arrowtown and some of the area's finest wineries are under fifteen minutes by car, and Coronet Peak is a ten-minute drive in winter. Come summer, walking trails along the Shotover River and the nearby Queenstown Trail, perfect for an e-bike adventure, sit practically on the doorstep. Inside, an open fireplace anchors the main living area, while a bright kitchen and dining space, a cosy snug lounge and a separate studio with its own bathroom give a group of ten plenty of room to spread out comfortably.

Thoughtful touches set this home apart, from a ski drying room with brand new boot dryer to the option of arranging a portable spa for the duration of your stay. The semi-rural setting lends a sense of seclusion that belies just how connected this property really is. A fantastic base for those who want to explore beyond the town centre without sacrificing a single convenience.
