Karamata Queenstown

15 Kerry Drive, Queenstown

3 Bedrooms | 3 Bathrooms | 6 Guests

Set in an elevated position in downtown Queenstown, this three-bedroom villa makes the most of its stunning lake views through a spacious open-plan living, dining and kitchen area with large windows and a balcony that is hard to step away from. A schist stone fireplace adds an alpine warmth in winter, while air conditioning throughout keeps things comfortable in summer, and ski storage in the internal garage ensures every season is well catered for. Three generous ensuite bedrooms, two of which can be configured as king or twin, are complemented by a cosy downstairs retreat with sofa and office space for those moments when a little solitude is welcome.

A large double garage and additional off-street parking remove any last logistical concern, making this a polished and versatile Queenstown base that works just as well for a couple's escape as it does for a family getaway.
