Wharenui

778 Malaghans Road, Arrowtown

7 Bedrooms | 4 Bathrooms | 14 Guests

Wharenui is a beautifully appointed rural retreat offering two connected yet private spaces, a five-bedroom main house and a charming stone cottage with two ensuite bedrooms, together accommodating up to fourteen guests in generous comfort. The main house centres around a spectacular living room with an open fire, pool table and mountain views, complemented by a cosy den with its own fireplace for quieter moments, and a kitchen and dining area large enough to bring the whole group together. In summer, French doors open onto a pergola terrace where long evenings by the outdoor fireplace and a sky full of stars make for an unforgettable setting.

Outside, a swimming pool, tennis court, spa pool, expansive lawn and a bubbling stream create an outdoor playground that will keep guests of all ages thoroughly entertained. A property of this scale and character is rare, and Wharenui delivers it with ease, making it an exceptional choice for up to three families or a group of friends marking a special occasion in a truly beautiful corner of Queenstown.
